### INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

### History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than \$1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determining the eligibility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records (filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

#### Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

## Related Records

The records reproduced in this microfilm publication are part of the records in the custody of the National Archives and Records Service (NARS) designated as Records of the U.S. Court of Claims, Record Group (RG) 123. App. #27055.

August 27, 1907.

Melvina Reed,  
Hull,

Illinois.

Madam:-

Replying to your letter of August 24, 1907, you are advised that the applications for participation in the Eastern Cherokee fund have not been taken up for final consideration, and we cannot state, at the present time, whether or not you are entitled to participate in this fund, or how much each successful claimant will receive.

As there are already over 25,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

If there is any further information required in connection with your application you will be notified.

Very respectfully,

Special Commissioner.

NLC.

Special Commissioner,

Washington, D.C.

Sir:-

In answer to your letter of the 21st of April last, will say;-

I was only 13 years of age in 1851, and I suppose it was neglect on the part of my ancestors that my name does not appear on the rolls of that date.

Cannot say why ancestors of whom I claim my Cherokee blood were not on the rolls of 1835 and 1851.

My husband does not claim any Cherokee blood. None of my ancestors nor myself ever resided or affiliated with any Indian tribe.

None of my ancestors nor myself were ever held as slaves, we were white and Indian blood.

My ~~great~~-grand mother Whitaker, was a daughter of Mary Walker who was one half Cherokee Indian.

Hoping the above is sufficient, I remain,

Very respectfully,

Mary M. Lowe

Atlanta, Ind. R.F.D. 20

Sir:-

Relative to your application for participation in the Eastern Cherokee Fund, kindly state why the names of your parents and other ancestors through whom you claim your Cherokee descent and who were living in 1835 and 1851, do not appear on the Cherokee rolls of those dates.

Do you claim any Cherokee descent whatever through your mother? If so, set out the source of the same.

Were you or either of your parents ever held as a slave? If so, state whether you or they were owned by white people or Indians.

Did your parents or any of your grandparents ever reside or affiliate with any Indian tribe? If so, state when and where and give the name of such tribe.

Very respectfully,

Special Commissioner.

Dear Sir:

In reply to your letter of inquiry regarding my claim, I will state that I know of no other line of descent than through Bettie Pledge, Pindexter, she being the granddaughter of the Eastern Cherokee Chief Donnahoo. & so on down to the present, as has been stated. It is an absolute, direct, line of descent, from the Chief, Donnahoo himself, & I cannot understand why you should ask for any further evidence.

I shall be glad to hear from you at any time relative to same.

Thanking you. I remain

Yours Very Truly,

Hon., Guion Miller,  
Special Commissioner of the Court of Claims,  
Washington, D. C.

Dear sir:-

Replying to your favoe of the 21 inst. respectfully say:  
I do not know why the names of my paresnts and other an-  
cestors through whom I claim Cherokee descent do not appear on the  
Cherokee rolls of 1835 and 1851. They were living at that time.  
I do not know whether any of my ancestors ever partici-  
pated in any Old Settlers payment.

~~My grandfather was captured by a band of Indians~~  
Mt great grandfather was captured by a band of Indians  
and afterwards married a Cherokee woman. But whether he was ever  
held as a slave or not, I do not know.

I have not been enrolled or attempted to be enrolled by  
the Dawes Commission.

My grandparents resided with the Cherokees in one of the  
southern states-I suppose it was Louesiana. My grandfather was  
made captain when the indians were rounded up and removed from  
Louesiana, or one of the southern states.

I claim indian blood through one of my parents only.

Very truly yours,

Armanda J. Snyder.

My name is Delia C. Moline King. I live at ~~XXXXXX~~  
P. O. Box 2, Blairsville, Ga. I claim Cherokee Indian  
blood through my mother and her mother. I was born in 1858  
in Union Co., Ga. My mother's name was Melissa Molen. She  
was born and raised in Union Co., Ga. She died in 1880  
and was ~~about~~ between 50 and 60 years old when she died.  
I don't say whether my grandmother was born and raised in  
this County. She was in this County when I knew her.  
My mother and her mother were recognized as white folks with  
Indian blood. My mother or grandmother never got any money  
or land from the Govt. on account of their Indian blood. In  
1882 I was living in Union Co., Ga. I don't know whether  
my mother and grandmother ever lived with the Indian Tribe,  
but they were living here a good many years before the  
Indians left this country. My mother and grandmother told  
me that the Indians were taken away from here. My mother  
and grandmother were not driven away from here with the  
Indians. They never did tell me why they did not go away  
with the Indians. My grandfather on my mother's side was  
a white man, and did not have any Indian blood. I never  
heard of my mother or grandmother being enrolled with the  
Cherokees. My minor children's names are: Virgil and Roy.  
and Lillie died last October. Lillie was 15 years old when  
she died. My mother's name before she was married was  
Melissa Molen. My father also had Indian blood. His  
father's name was Joseph Molen. My father was born and  
raised in Union Co., Ga. I reckon grandfather, Joseph  
Molen, came from I. C. My father's brothers and sisters  
were:-- Bill, Jim, Joe, Jonathan, Silsie, F. C., Polly Ann.  
None of them went out West with the Indians. Uncle John  
Menson has a daughter, Mary Benson. My father and mother

their Indian blood. I don't guess my father was here when  
the Indians were taken away.

Madam:-

Relative to your application for participation in the Eastern Cherokee Fund, kindly state why the names of your parents and other ancestors through whom you claim your Cherokee descent and who were living in 1835 and 1851, do not appear on the Cherokee rolls of those dates.

Do you claim Cherokee descent through both parents? If so, set out the source of your claims separately, giving the Indian and English names of each ancestor. State whether any of them ever lived with any tribe of Indians, and if so, give the name of such tribe and state when and where they lived with that tribe.

Did your parents or any of your ancestors ever participate in any Old Settler payment? If so, state when and where.

Were you or any of your ancestors ever held as a slave? If so, state whether you or they were owned by white people or Indians.

When did your parents move to Arkansas? Where were your grandparents living in 1835.

Have you attempted to have your name placed on any Indian roll? If so, state when and where.

Very respectfully,

Special Commissioner.

James Whorton being first duly sworn deposes and says:

My name is James Whorton, and I live in Mineral Wells. I am 62 years old. I claim Cherokee Indian descent through my mother, Martha Whiteley. I was born in Madison County, Ark. in 1846. My mother died here in Tex. 20 years ago, at the age of 69. She was born in Ala. but I do not know in what County. When she left Ala. she went to Miss. From there to Tenn. and then to Ill. She was just a child when she left Ala. and she was married in Ark. I think my mother was about 1/4 Indian. My mother got her Indian blood through her mother, Lucy Mainard. I have seen my grandmother, who died in 1859. She died in Newton County, Ark. My mother went to Ark. when she was about 12 years old, as she was married at the age of 14 in that state. Lucy Mainard was born in either Ala. or Miss. I think Lucy Mainard was about 60 years old at the time of her death. I get my information from my relatives in general, they all say that I have Indian ancestors on my mother's side. Lucy Mainard's mother was a Sizemore, and that is where Lucy Mainard got her Indian blood. I think it was Lucy Mainard's mother, or her grandmother, was enrolled in Ga. or Ala. I cannot get her given name, but her name was Sizemore. She lived in both of the above mentioned states. I have heard my mother say that the Sizemore woman died near Springfield Mo. and was buried there. I do not claim any Indian blood except through the Sizemore's. I have heard my speak of two ~~John~~ Sizemores, one John Sizemore, and the other Wm Biddy. I have heard that Tabby Sizemore who was the mother of John Sizemore had the Indian name of Little Chicken. My mother did not show her Indian blood very much, and she was not recognized to any extent as an Indian.

Dear Sir

Will say the reason I am not on the Cherokee Indian Roll, is because I hired a man to attend to the matter for me. I gave him \$10.<sup>00</sup> to fix up my application for me and to get it filed in 1881. He kept the money.

And I got nothing. There was a mistake about my husband's age, if he was living he would be 82 yrs or more years old

~~Reason:~~

Relative to your application for participation in the Eastern Cherokee Fund, please state why your parents or your grandparents, were never enrolled? In a letter to this office some time ago, you stated that the reason that you were not enrolled was because you had hired a man to attend to the matter for you, and that he failed to do so. Please state who it was, and when.

Were any of your ancestors slaves? Do you pass as white or colored in the community in which you live? State clearly the name of the ancestor through whom you claim, why that ancestor was not enrolled, and exactly what your connection with the Cherokee tribe is? When did the ancestor through whom you claim last live with the tribe?

An early reply will be appreciated, referring to No. 27116.

Very respectfully,

Special Commissioner.

Ma'am:-

Relative to your application for participation in the Eastern Cherokee Fund, kindly state why your name and those of your parents and other ancestors through whom you claim Cherokee descent and who were living in 1835 and 1861, do not appear on the Cherokee rolls of those dates.

We hope that your application stated that you were born in 1830 and that your husband is 28 years of age. Is that statement correct?

Will you kindly furnish us with the full names of your grandparents? Also the names of their children.

Were you or any of your ancestors ever held as a slave? If so, state whether you or they were owned by white people or Indians.

Kindly furnish us with a full history of your Cherokee ancestry.

Very respectfully,

Special Commissioner.

George W. Bushyhead, being duly sworn, deposes and says:

My name is George W. Bushyhead. My age is 57 years. ~~and~~ I have lived here 1 year. Before that in Saline District. I was born in Tahlequah. I was enrolled by the Dawes Commission Cherokee Roll 11984. I got bread and strip money. I got Indian blood from my mother, a full-blood and my father 1/4. My mother was Ca-yah-he-tah or Ka-ya-tah-he-ta. She lived in Tahlequah District. I do not know whether she was enrolled in 1851. I never heard whether she got any money but my grandmother said that my father drew Old Settler money and that my mother drew Emigrant money. I cannot tell you just when she drew this money. My mother never associated with any other tribe of Indians. My mother's mother I cannot give. I do not know my mother's father. My mother was an orphan. My grandparents died when I was quite young and therefore I know very little about them. My mother was raised by people of the name of Horn and went by that name. Ca-yah-he-tah Horn. I don't know anything about any brothers and sisters she may have had. I have only one brother Smith Bushyhead. I think Nancy Bushyhead was my father's mother. I never heard any talk about the treaties of 1835-6 as I was too small when they died. I cannot give you any good reason for my mother not being enrolled, if she was not on the Roll. I never associated with any other tribe of Indians. I cannot name my ancestors any further back than my mother.

He did not have any sister that I know of. Her Indian name was Ca-yah-he-tah. I did not know his mother's name. He is a Cherokee Indian and always been recognized and regarded as a Cherokee Indian. He got his Indian blood through both his father and mother. His father's name was John Sweat. He is dead, has been dead over 20 years. John Sweat was born in Ind. He was about 60 years old when he died. I never heard him talk about his Indian blood. I have heard the old folks talk about it, but I never paid much attention to them. None of John's people were ever held as slaves. I get my Indian blood from my grandmother on my mother's side. My mother's name was Kesiah Winburn. She was a sister to Joseph and Levi Winburn. And my Indian blood is the same as the Winburn Indian blood that has been testified to at Kokomo, and other places in this state.

My name is Benj. F. Sweat, and I am 45 years of age, and was born in Hamilton County, Ind. I claim Cherokee Indian blood through my father, but he died so early that I do not know much about him. My mother whose name is Olive Sweat and who now lives in Indianapolis, claims to be a 1/2 blood Indian. I do not know her present address, but she lives with my brother James Sweat. My mother was born in Guilford County, N.C. She is 82 years old now. She left N.C. when she was 5 years old. My mother was half white and half Indian, but since we have been here we have been recognized as colored. None of my ancestors were ever held as slaves. My grandmother was a full blood and her name was Fizzie or Kiziah Winburn. My grandmother was past 80 at the time of her death in Ind. She was born in Guilford County, N.C. The maiden name of Kiziah Winburn was James.

Madam:

Relative to your application for participation in the fund arising from the decree of the Court of Claims in favor of the Eastern Cherokees, please state whether your parents were ever enrolled, and if not, why? Why have you never been enrolled? Were any of your grandparents ever enrolled, and if so, state when, where and under what names? Were any of your ancestors ever slaves?

You state that Elzer Choppell, your grandfather, was an Eastern Cherokee Indian. Please state when and where he lived with the tribe, and when he left the tribe?

Give any other information obtainable tending to establish your right to share in this fund.

An early reply will be appreciated.

Robert Christian being first duly sworn, deposes and says:

My name is Robert Christian. I live at Wetmore, Tenn. I was born in 1855. I was born at Hiwassee, Tenn. I claim to be connected by blood to the Cherokee tribe of Indians. I claim through my grandmother on my father's side. My father at the time of the Civil War was too old to serve. He died in about 1865. He was born in Charleston S. C. My grandmother's name was Lissie Woods, I think. She came from Charleston, S. C. I don't know whether she was born there. My father was recognized as white man. My father never lived with the tribe.

Madam:-

Relative to your application for participation in the Eastern Cherokee Fund, kindly state the name of your father and those of your other ancestors through whom you claim Cherokee descent and who were living in 1835 and 1841, do not appear on the Cherokee rolls of those dates.

Kindly give the names of your paternal grandparents, also their children. There was your grandfather, Christian, living in 1835? Give the name of the county and state, and if on any river, give the name of that.

Was your father or any of your ancestors ever held as a slave? If so, state whether they were owned by white people or Indians.

Did your father or his parents ever reside with any Indian tribe? If so, state when and where and give the name of each tribe.

Sir

I made out

Jones of this City a claim for partic-  
ipation in the distribution of the fund  
going to the Cherokee Indians. In  
my application I could not give the

be attached to and considered with  
my claim

I am yours truly

No. 27139.

America Daley, being duly sworn and examined,  
deposes and says:

My name is America Daley. I am nearly 45 years old. I live at Highland Park, Chattanooga, Tenn. In Cass Co., Ga. now Bartow Co., I was born. I have never been enrolled. I did not know anything about the enrollment. I claim my Indian blood through my father, whose name was Tom Hammett. My father was raised in Bartow Co., Ga. I do not know whether my father was ever enrolled. I never heard any of my people say anything about my father visiting the Indians. I think it was the Cherokee tribe that my father claimed to be connected with. My father lived in Georgia at the time he married. My father's mother, Susan Speed, lived in Bartow Co. Ga., and married Bill Hammett. I have heard my grandmother speak of associating with the Indians. I never heard my people say anything about my grandmother being enrolled.

Appl. NO, 27144

KNOXVILLE, TENN. May 4th, 1908.

Hon. Guion Miller, Special Commissioner, etc.

Washington, D. C.

Dear Sir:

Replying to your favor of 22nd ult. addressed to me at Chattanooga, Tenn. I have to say:

(1) My name does not appear on the Cherokee rolls of 1835- and 1851 because I did not know that any enrollment was being made at that time. My mother through whom I claim was probably not enrolled then for the same reason.

(2) I claim Cherokee descent only through my mother.

(3) My mother was not a slave. I was a slave to white people.

(4) My mother was a full-blood Cherokee residing at one time at some place in the District of Columbia and residing and affiliating with that tribe in or near there. I was taken from her by whites when a child seven years old and sold into slavery. my present address is 1512 Clinton St. Knoxville, Tenn.

John H. Holmes

Appln. No. 27144.

John H. Holmes, being duly sworn and examined,  
deposes and says:

My name is John H. Holmes? I am 79 years old.  
I live in Knoxville, Tenn. I was born in Washington, D. C.  
I claim through my mother. Her name was Harriett Elizabeth  
Newman. She was born in Charlotte, N. C. She was supposed  
to be full Indian and belonged to the Cherokee tribe.  
I was never enrolled. My mother and I, ~~was~~ about 1835, were  
driven from Washington with other Indians to Atlanta, Ga.  
I never heard my mother say that she was enrolled. I think  
I would have heard my mother mention it had she been en-  
rolled. My mother said my grandfather was a Cherokee and  
my grandmother also. They were in N. C. so my mother said.  
When about 12 years old I was sold to ~~x~~ Jimmie McDowell  
in the Southern part of Georgia. After he died I was sold  
again to David Holmes. I remained a slave until the some-  
time ~~in~~ during the Civil war. I claim one-half Indian,  
and one-half African.

Dear Sir:  
Yours of the 22 inst is before me; will say in  
reply. I was <sup>never</sup> enrolled because I knew nothing of  
being enrolled. I do not know why my Grandfather  
name does not appear on the Cherokee roll of 1851-  
He was blind crippled, and lived out in the country  
in Pulaski Co Arkansas for a number of years -  
He never visited the town or knew any thing  
about being enrolled. His name may appear  
on the roll of some other year. My Grandparents  
or myself have never participated in any old Settlers  
Payment. I have never been enrolled by the

Madam:-

Relative to your application for participation in the Eastern Cherokee Fund, kindly state why the names of your parents do not appear on the Cherokee roll of 1851, and why those of your other ancestors through whom you claim Cherokee descent and who were living in 1835 and 1851, do not appear on the rolls of those dates.

~~Kindly give us as near as possible the date of your birth.~~

Do you claim Cherokee descent through both parents? If not, designate the one through whom you do claim. Also furnish us with the names in full of your grandparents and their children.

Were you, your parents or any of your ancestors ever held as a slave? If so, state whether you or they were owned by white people or Indians.

Did your parents or any of your other ancestors ever reside or affiliate with any Indian tribe? If so, when and where and give the name of such tribe.

An early reply will be appreciated.

Very respectfully,

Special Commissioner.

Washington D.C.

Dear sir I wish to make some very important statement to you  
I am a man that has come up many hills of time in life you can  
scarcely believe my story being a stranger to me yet I can furnish you all the  
proof from any citizen where I have lived there is no person of my age I dare  
say that has more sorrow and distress and sore trials than I am  
continually bearing my story is as follows the were eleven of my fathers  
family 6 girls & 3 boys my father was very poor I have been struggling since I  
was 6 years of age I struggled for my fathers family untill I was 21 years  
of age I was forced to work out in all kinds of weather no matter how cold  
or hot I contracted cataract of the head 20 years ago I have it so terrible  
cannot smell any thing I married 17 years ago my wife and myself went to  
work to build us a home we bought us a lot in Othman and put us up a nice  
house on it before finishing it I found I was forced to borrow money and give a  
mortgage on it I did so my wife worked so hard to help finish our house  
that about the time it was done she taken down sick she has been an  
invalid ever since any of the doctors at Othman are here can verify my  
statements her health continuing this was the mortgage I made clear on

did not have the money to meet it so amidst her sickness our little  
nice home was swept from us, her health improved slightly we determined  
to build another we bought a lot of on the front it worked hard to get it  
paid for, then we began the erection of our next home we we got the  
L of it built moved into it we worked out would get a little bunch of  
lumber together then fell in and put it up by little until we finally  
finished it up we put \$18.00.00 dollars into this home we concentrated all  
our means outside of living into this home we certainly had a beauty &  
my wife's health continued so very poor our doctor advised us to  
send her out in the country to her father for her health while there  
during a wet spell of weather I was building up a piece of furniture  
having a room very much littered up and working on it very late the  
night I concluded to sweep the room up before going to bed of stairs in front  
of house & set my beam up against some clothes that were on the wall and  
I have always believed it caught fire in this way so starting in to it fastest  
under where I was sleeping it stairs and tried to get so far as the  
floor was near ready to crack from under me when I learned of it  
by being awakened by smoke and being nearly suffocated. I  
jumped from off a veranda as the only escape for me my home  
was & I was gone to some thing out of it not even a suit or suit of  
clothes, will you stop to think a moment ever, things we had made in

for years of such hard struggling in ashes. I was almost crept over  
it and at the same time my wife drew sick as hand I hid it from  
her several days before I would tell her for I knew how weak she  
was O how it did shock her when I told her our home was gone it was  
all the doctors could possibly do to save her life she has never been well a  
day since we have had a very hard struggle to live she is still living but you  
cannot imagine how pale and weak she is she is like my self did to  
go out with the men fell up to grove and make a hand at any  
thing they put her at she prepared a large meadow by digging up bald  
willows you can imagine the hard task of such a job I pen these  
lines of truth to show you one miserable being that has applied to you  
for his rights in the coming tuction decide. now dear friend I wish  
you could visit our little humble home our place of abiding not our  
own and just see for your self our way of living and serving god  
I have no desire what ever so mislead you are betray your trust but  
leave these lines for you to ponder over at your leisure and if  
after you examine my life up to date and find I am not worthy of  
your help. I will struggle on in my weakness god only knows if I  
had stood again you cannot imagine how I will walk with it to  
regain what I have lost. it lays in your power to make my  
wife & I happy if any one of your applicants is chosen wife & I am

I know it is my self you have it within your power to do a deed of charity <sup>and</sup>  
justice that I know that you will not meet in a life time again  
dear sir examine these lines with care and see if it is not with you  
to start us up the hill of prosperity again you will never hear  
the last of my appreciation & again I will repeat from time to time to you  
of just how I am handling my means I wish to start as up a little business  
that we can check from our hard struggling please remember me  
as I ~~am~~ remember you always if you do my prayers shall always  
be answered god will give you your reward in heaven.

Very Respectly J. R. Lowe.

I again write you in regard to my claim as a participant in the Eastern Cherokee Indian funds. As I have not heard any thing from my claim and have furnished additional proof to the already proven fact that according to the terms of the Government I am entitled to my partial part of the funds. The additional proof I have furnished was the oath of Old Mr Mitchell Gaston ninety three (93) years old who is an eye witness to the facts and duly corroborates my statements in regard to the Indian blood that is in me. I have employed City Marshal of this city to look after this matter for me but he seems to have not heard any thing from him self.

Sir:-

Replying to your letter of July 28, 1907, you are advised that the applications, for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, have not been taken up for final consideration, as the Court in its order of April 29, 1907, extended the time for the filing of applications to August 31, 1907, and until the applications have all been filed it will be impossible to give final consideration to any of them, or to state how much each successful claimant will receive.

As there are already over 31,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

If there is any further information required in connection with your application you will be notified.

Very respectfully,

Special Commissioner.

Charles Robert Lowe,  
1336 Asylum St.,  
Knoxville, Tenn.

Sir:-

Relative to your application for participation in the Eastern Cherokee Fund, I beg to advise you that I am unable to locate any of the parties mentioned in your application, on the roll of 1835 or that of 1851. If you claim any of your ancestors who possessed Cherokee blood, were on either of the said rolls, kindly give their names and also the names in full of their lineal descendants who were living at those dates.

Do you claim Cherokee blood through one or both parents? Kindly give the source of your claims separately through each parent, giving their full names and also the full names of your grandparents on each side.

Were either of your parents or any of your ancestors ever held as slaves? If so, state whether they were owned by white people or Indians.

Did your parents or grandparents ever live or affiliate with any tribe of Indians? If so, state when and where and give the name of such tribe.

Very respectfully,

Special Commissioner.

Replying to your letter of recent date, making inquiry as to whether it was necessary for you to employ an attorney to prosecute your claim for participation in the Eastern Cherokee fund, you are advised that it is not necessary for you to employ an attorney or agent.

You are further advised that Mr. George Isacell is not an agent or representative of this office or of the Court of Claims, and has no authority whatever to represent himself as such. If he has done so it has been without any justification.

Cohutta, Ga. 1869

Hon Gideon Miller,

Washington D.C.

Dear Sir: we have received. (my mother no 10919. my wife  
no 20225. and myself no 27177.) your order as repeated  
I dont understand why this is. when you was in  
Chattanooga Tenn. you accepted 2 witnesses in person  
swearing to Milly Hightower being a Cherokee Indian.  
as you said this evidence was sufficient proof. she also  
testified that the stancels was children and grand children  
of Milly Hightower. we gave you all evidence we could  
and you accepted it as sufficient, &c.  
now as to Milly Hightower. whether her name was on the  
Roll or not we dont know. we have heard it was and then  
we heard it was not. we dont know. we never heard of any  
Rolls until of late years. and as to any ages records &c of  
Milly Hightower we cant get them. they were all burned up  
by Shermans army when he made his raid through Ga.  
we know that we are honestly and justly due our share of  
this money set apart by the Govt. and we will be very  
thankful if you will advise us more fully how to proceed to  
get our part. please let me hear and oblige Geo. F. Tucker,

No. 27183-18963.

July 22nd, 1908.

Dellia McGill,

Athens, Tenn.

Madam:

In your testimony taken at Athens, Tenn., June 27th, you did not go into the history of your father's family as thoroughly as we desire. We will ask that you give us the following information in full and as soon as possible.

1. Your father's full name and the place of his birth.
2. Full name of your grandfather and grandmother on your father's side and the place of their birth.

State where your grand-parents and your father resided during the thirty years prior to 1861. Give the names of all the brothers and sisters of your father.

Send us also the testimony of any old persons who knew your father and his people and who can testify as to their relationship to the Cherokee Indians.

Kindly let us have this information as soon as possible.

Yours truly,

Special Commissioner.

SAT/MSH.

Delila McGill being first duly sworn, deposes and says:

That I am 68 years of age and live in Mc Mina Co., Tenn. I claim my Indian descent through my mother and father. We never were slaves. My father claimed 1/2 Cherokee Indian. My mother was about 1/2 Indian. My grandfather Shellhouse was a whole Indian. He was born and raised in S. C. but I don't know what part. He lived and died there. My father was raised in N. C. and my mother in S. C. I don't know what part. I never was on any Indian roll. Neither of my parents or grandparents were that I know of. ~~xxxxwhite~~ My grandmother on my mother's side was white. There is no negro blood in me that I know of. My father was Indian and white or Indian and colored, I don't know which. My mother was Indian and white. My mother was raised with the Indians in S. C. and she was down here near Benton, Tenn. when the Indians left. That was before I was born. She didn't go with them West because her mother wouldn't let her go. ~~xxxxfather~~ My mother's father died in S. C. He didn't go west. I pass as a colored person in this community. My father lived with the Indians in N. C. Don't know what part. That was when he was young. My mother could talk Indian just the same as they could but my father never did that I ever heard. My husband is a colored man; he was a slave. His name is George McGill. Don't know why these parties who claimed Indian were never enrolled. They never had any other names that I ever heard of. John and Johnathan Coins were my father's brothers. Polly and Margery were sisters of my father. They never married. My father left home when he was about 12 years old and came here to Tenn. I don't know whether he lived with the Indians after he came to Tenn. or not. I never lived with them. My mother's only brother was Willis Shellhouse. He died before the war; he went from here with the Indians to the Ter. and died there. My mother had no sisters. My grandmother on my father's side was Eunice Coins. I think she was part Indian; don't know whether she was white or colored. ~~xxxxxxatxxShellhousexxxxxx~~ Delilah Shellhouse nee Prescott was my mother's mother. There are no older witnesses who know anything more about my ancestry than I do. All of my brothers and sisters died after the war. None of them ever lived with the Indians that I know of. Two sisters and one brother living but don't think any of them made application.

Delilah McGill

Ass't to Special Commissioner

Applicant shows some Indian blood but she is evidently considerably mixed with negro. She was apparently truthful in her statements as to her ancestry.

Madam:-

Relative to your application for participation in the Eastern Cherokee Fund, kindly state why the names of your parents and other ancestors who were living in 1835 and 1851, do not appear on the Cherokee rolls of those dates.

Do you claim any Cherokee descent whatever through your father? If so, set out the source of the same giving the full names of each of his ancestors.

Kindly furnish us with the full names of your uncles and aunts on your mother's side.

Were your parents or any of your ancestors ever held as slaves? If so, state whether they were owned by white people or Indians.

Kindly furnish this office with a full history of your Cherokee ancestry.

Very respectfully,

Special Commissioner.

FDR/LJC

#27188

Miscel.

Mary Mc Ghee being first duly sworn, deposes and says:

That I am 33 years of age and live in Mc Minn Co., Tenn. I claim my Indian descent through my mother. My mother was born before the war and she has been dead a year. She was 62 years old when she died. She was not held as a slave. My father was not held in slavery, either. Elizabeth Goins was the Indian. Solomon Goins was mixed white and colored. My father is a colored man. I am recognized as a colored woman in this community. My mother's brothers were John, Edwin, Rob and Dave Goins. Her sisters were Sarah Smith, Unie Henderson, Lila McGill, Josie Scrubbs. My mother nor her mother was never on any rolls that I know of. Elizabeth Goins, my grandmother, died in 1902. She lived with the Indians in S. C. in 1834-5. She left there about 1836 or 7 and came to Mc Minn Co., Tenn. where she lived and died. My great grandmother was Delila Shellhouse. My grandfather's name was Brass Shellhouse, and he was said to be a full blooded Indian. Delila was a white woman. I don't know how much Indian blood I claim. My grandmother claimed to be of Cherokee descent.

Madam:-

Relative to your application for participation in the Eastern Cherokee Fund, I beg to advise you that I am unable to locate any of the parties mentioned in your application, on the roll of 1835 or that of 1851. Do you claim any of them were on either of said rolls? If so, give their names and also the names of all their lineal family connections who were living at those dates.

Was your mother or your maternal grandparents ever held as a slave? If so, state whether they were owned by white people or Indians.

Did your mother or her parents ever live with any Indian tribe? If so, when and where and give the name of such tribe.

Very respectfully,

Special Commissioner.
